GUARD BRIDGE
PAPER COY
LIMITED

Guard Bridge 16 March 1904
(R.S.O. Fife, N.B.)

I am very pleased to be able to
testify to the abilities of John A. Division
I have known him since a lad

He has been in the employment
of this Coy for the past seven
years working in various parts
of the mill but principally at
the machines. He is one of the
best machine assistants I
have come across. Energetic.
Strictly sober, hard working
and most obliging under all
circumstances and has the
working of a first class machineman

Had there been a vacancy
at the moment I should have
been glad to give it him.
I can with every confidence
recommend him as a first
class workman.

He is a young man of great
promise and leaves here of his
own accord much to our regret
in order to better himself and
carries our best wishes for
his future welfare.

I shall at all times gladly
answer any further questions
concerning him and heartily
wish him every success.
